

NASMER FONTANILLA

FULL STACK

ABOUT ME

Transitioning from 6+ years in the Marine Industry, I am an aspiring Frontend/Full Stack Developer with skills in specializing in MERN stack. Passionate about tech and innovation, I aim to blend my project management experience with new technical abilities in a dynamic tech role. And I always have the high drive to keep learning especially new technologies

- Projects / Visual Studio

EXPERIENCE

Technical Officer

2023-Present

Bernhard Schulte Shipmanagement

Led technical services, procurement, and logistics for top-tier clients (JP Morgan, MSC, Frontline), optimizing vessel operations. Managed key technical solutions (radio systems, class surveys, agency coordination) with strong project management and problem-solving abilities.

Procurement Executive

2019--2023

MMS Bulkship Management

Managed diverse vessels globally since Aug 2019, enhancing operations and budget efficiency through streamlined procurement and logistics. Forged strong networks with industry stakeholders, demonstrating advanced interpersonal and organizational skills.

Customer Accounts Executive

Francois Marine

2016-2019

Advanced from Purchasing Coordinator Assistant to Customer Account Officer in 2 years, showcasing rapid advancement and leadership in procurement for key clients. Mastered ERP systems (Konverge, Navision, Aggresso), driving cost reductions and supply chain efficiencies. Created an Item Master List, enhancing productivity for 30+ vessels at peak times. Also mentored staff and interns, demonstrating a strong commitment to team growth and adaptability.

Marketing Intern

2012 - 2012

Marshall Cavendish

Led promotional campaigns to boost corporate visibility and redesigned the corporate directory and promotional materials, amplifying market presence. Strengthened client relationships, achieving near-perfect performance ratings and showcasing exceptional creativity and customer service.

EDUCATION

MAGES Institute Of Excellence

2023-2024

Professional Certificate In Full Stack
Web Development

Temasek Polytechnic

2006 - 2008

Diploma In Marketing
